

## **IATA Special Industry Notif May 9<sup>th</sup>, 2025**

### **CHANGE OF LOCATION CODE (FRU) MANAS INTERNATIONAL AIRPORT**

Dear All,

This special notification is to notify that a poll was circulated on the 7<sup>th</sup> of April, 2025 to change the currently assigned location code (FRU) - MANAS INTERNATIONAL AIRPORT - for location code (BSZ), in line with Paragraph 9.1 of IATA Resolution 763.

The result of the poll of airlines operating air transport services at this airport was:

7 airlines in favor;

4 airlines against;

As per the provisions of IATA Resolution 763, a simple majority of those airlines responding to the poll (with non-responses and abstentions not counting in the poll) is required to proceed with the change.

The airport authorities of Manas International Airport (FRU) have previously confirmed their support for the proposal.

With the above majority in favor of the proposal, IATA confirms that the change has been accepted and will become effective on the 9<sup>th</sup> of August, 2025, according to Resolution 763, Section 4, paragraph 4.3.2 "establish an implementation date for a change of location identifier that normally shall not be less than ninety (90) days from the date of the notice to be issued by A4A and IATA".

Best Regards,
